FROM YOUR PRESIDENT - Gary Black, KBPNZ

As required by the constitution and the by the constitution by-laws, all members are hereby notified that the annual nominations for officers and directors will be held at the April meeting, April 10th, at the Hoover School, Hazel Park Michigan. The election of officers will be conducted on May 8th, at the regular business meeting for the month of May.

Your President would like full attendance for these two meetings. The members make up this club, and each member should voice his vote in the running of this club.

I wish to thank Gordon Tatro, WB8OTA, for his volunteering to take over the bulletin from Jim, WB8EEU. I would encourage the membership to give Gordon all the support and assistance they can render. It's a big job he has undertaken, but without a doubt, one of the more important ones in the Club.

If I have not said it before, and I'm sure I did, I want to tank all the new members of the club for their attendance, and a special welcome to the family groups: thats what I really like to see.

See you Wednesday, April 10, Gary, KBPNZ

HERE AND THERE CONTINUED *

Jim Turner, W8UQP, father of Ron, W8IIC, wants to know of **easy way** to let Ron know he's talking into the **back** of his Handi-Talkie.

Well, Pete Lee, one of our new members, passed his novice code test during the March meeting. 'Bout time Peter. Now if your Mom, Judy, and brother Stephen, can get their licenses, you can keep the rig going night and day.

New Members in the fold:

Austin Quinn, 917 Woodcrest, Royal Oak, 48067
Ivan Macey, W8IVJ, 160 W. Grixdale, Detroit, 48203, TU 33696
Lee Clan, Peter, Judy, Steve, 18431 Meyers, Detroit 48235
Cliff Sebring, 12727 Kingston, Huntington Woods, 48070
WELCOME TO ALL

GENERAL ANNOUNCEMENTS

K8LUV, Sherman Goldman, announces that an AREC Net for Oakland County is now in operation. K8LUV, Sherman, is the Net Control. The net meets every Wednesday evening from 7 to 8 PM on 50.250 Mhz. All stations are invited to check in. We will have Drill sessions, training and procedures for emergency operation, etc. If you wish to know more, or join the AREC, contact Sherman, 557-9537. The tornado season is upon us, and a little preparation will go a long way. Help yourself and help the AREC.

Stu Rockafellow Club wishes to advise all - if you are writing to the club, write to Mel Michaels, W8MJT, 575 Arthur St., Plymouth, Mich. 48170.

As all know, who were at the March Meeting, the New(1974) Net and Club Rooster is out. Also the new Hazel Park Membership List is out. We aren't perfect, so you find mistakes - and if so - call it to the attention of Jim, W8EEU(588-7971) or Dale, W8BUY(357-4539)

Going to Dayton????????? Well, we now have four camping units that will be there, and will be staying at the Tall Timbers KOA, 11 miles NW of Dayton, on route 49 and I70. If your going to camp, come join the group, W8VHA and family, W8ERO and Family, Ken Conroy and family, and W8EEU and family. See you there.

WANT ADS - Want to sell and Want to buy

Dave Bader, W8IFA is on the lookout for low-band gear and something to get into 2 Mtr FM. Call Dave at 546-5470

Phil McGown, W8OLW, is also looking for low band gear and if you have something reasonable, call 542-3617

Scott Richards, W8RAV, has an excellent receiver, 160-6 Mtrs for sale. It's an HQ 170AC, with clock, noise blanker, and just recently fully aligned, just waiting for an antenna and operator. Mint condition. Asking \$160 and need buyer. Call 398-5463.

NOT THE END YET-KEEP TURNING

CLUB NOTES

Thanks to Jim Gratham, KBYA, our guest speaker at the March meeting, for his presentation. Where does a guy get all that time and patience to take pictures for a year of the same thing?

Jack Field Sr., WA8WVE, as chairman of the SWAP AND SHOP, gave a full report at the March meeting. The event will be May 19th, at the Hazel Park High School. Tickets are ready. Jack makes one request, the need for help comes after 1PM and up to the closing of the affair. Do your best to stay for the clean up. It's only one day a year and the club should be out in full force. Be at the school at 8AM and show you really care.

Don Ferris, WB8JYX, chairman of the Field Day operation, would appear to have been working hard. The site will be GREEN ACRES RANCH, on Twenty-six Mile Rd. west of Van Dyke. No trees, and all level ground. Since it is the site of a riding stable, Don wishes to advise all "WATCH WHERE YOU WALK - THOSE AREN'T ANTE HILLS". Don also asks that if you are going to try out some new antenna configuration, please try it before the day you are to operate - if it's not going to work, let's find out first - not when it's too late.

Added Feature - Don tells us that the stable is available for hay rides and dinner on Saturday nite. They need a minimum number to make the reservation and asks that if you are interested, make it known to him. More details at the meeting. (One way of getting the whole family out for the night.)

HOT NOTES ABOUT MEMBERS AND OTHERS

W8OX, Joe Van Wie and his myl Clara, have been located, 1170 SW 24th Ave., Boynton Beach, Florida, 33435. On March 12th, the Madison Heights High School Club Station, made a contact in Boynton Beach and were able to get phone patch into the VanWie household, but Joe wasn't there. Clara was and advised that Joe was at the beach, where else?????

Mike Ashmore, WN8MGB is now WB8MGB, and has received his Technician license. Welllllllll - there goes the rig Max.

Sweet

Mary Sweet, WN8OSY, the YL of Gene, has escaped the towers of Wm. Beaumont Hospital, and is now at home, on the mend. Due to water in the basement, they have the practice oscillator up in the kitchen and she and Gene are hot at work on the code. Mary voices the same comment we hear so often - SURE GLAD TO BE HOME - Glad to hear you are coming along OK Mary - and hope to see you soon.

Chet Uncapher, WA8VHA, as fo March 8th, has passed his extra exam and is now waiting for the ticket. Patti, his YL, isn't waiting - and says she has been saving up all those "Honey-do" projects for some time. Chet advises that the test wasn't bad - but he sure has had a time getting the formulas erased from the cuff of his shirt.
